Please explain any special needs your child may have:

Please note!

Nursery care is provided by parents and other adults, junior and senior high school students working together to provide parents of young children the opportunity to worship while their children are taken care. When the work is shared, it does not become a burden for any one person. We would like to add your name to that list of volunteers, please speak with our Nursery Coordinator regarding this.

Only children younger than 4 years will be permitted to spend the Church School hour in the Nursery. Children over age 4 will be expected to attend their class or attend worship with parent/guardian.

Children placed in Nursery care must be picked up at the Nursery by a parent/guardian or an authorized adult as listed below.

In addition to the child's parent(s)/guardian(s), the following adults have permission to pick up this child from the Nursery:

Photos will be identified by program or event only and children's names will not be used in conjunction with their pictures. If you prefer that your photos are not used on either space, please let Kathy Tylee know via the church office.
